

FriendShip Preschool Inclement Weather Procedures

In the event that we have significant snowfall and/or icy roads, or other weather that prohibits safe travel and/or safe operation of the church or school, FriendShip Preschool will follow Quaker Valley School District for decisions about school closing and delays. Please keep the following information close by for reference.

- If Quaker Valley School District is CLOSED due to weather, FriendShip will also be CLOSED.
- If Quaker Valley School District is DELAYED due to weather, FriendShip will also be DELAYED. If a delay is called, we will implement the following schedule:

CLASS	ARRIVAL	DISMISSAL	NOTES
Children's Corner	10:30 am	12:30 pm	Snack will be served.
FriendShip I (T/Th)	10:30 am	12:30 pm	Students will still have lunch.
FriendShip I (F)	10:30 am	12:30 pm	Snack will be served
FriendShip II	10:30 am	1:00 pm	Students will still have lunch.
Pre-K	10:30 am	1:00 pm	Students will still have lunch.

On days when there is a delay, we will do our best to keep our routine as close to a typical day as possible. Classes that typically eat lunch at school on that day should still bring lunch to school. Classes that typically eat a snack at school on that day will still have a snack provided at school. (Snack time will be adjusted to accommodate the later dismissal time.)

Quaker Valley closings and delays will be posted on:

- the district homepage: qvsd.org, as well as QV's Twitter and Facebook pages
- KDKA, WTAE, and WPXI

FriendShip will send an email to families as soon as we are aware of a closing or delay and will post on our Facebook and Instagram pages (@friendshipsewickley).

As always your family's safety is very important to us. If school is still in session, but you do not feel comfortable driving your child to school, we understand! Please email Erin Leghorn and Gretchen McAdams as well as your child's teacher if your child will be staying home.
