Thankful Hearts

This month all of our classes have been talking about *thankfulness* and *generosity*. We have been watching our food boxes fill with your generous donations to the SPC Food Basket program. Thank you so much for supporting this very important mission in the life of our church and showing the children the importance of sharing our blessings with others. In a time when food insecurity is overwhelming, these baskets provide much needed food to local families. Thank you also for trusting us with your sweet children each day and for supporting our teachers and staff. We are very grateful for all of you and wish you and your families a very happy and peaceful Thanksgiving!

With much gratitude,
Mrs. McAdams & Mrs. Leghorn

In the Classrooms...

It has been a joyful few weeks watching all of the different types of turkeys and expressions of thankfulness appear in the classrooms! Each project shows the progression of how children develop and grow through their years at FriendShip!

Generosity and Goodness...

In addition to watching our food boxes fill with your generous donations, Reverend Barb Kennedy led Chapel this month to teach us about thankfulness! Barb's message to the children centered around the passage 'Give thanks to the Lord for he is good. His steadfast love endures forever' (Psalm 136). She read us a very sweet book called God Gave Us Thankful Hearts and asked the children what they were thankful for - there were lots of sweet answers - moms, dad, brothers and sisters, food, and our homes. We have much to be thankful for!
