Fall at FriendShip!

It has been a very busy month at FriendShip with lots of fall activities, field trips, and time outside on our playground! As we move into November, we will begin a school wide food drive to support SPC's annual Food Basket program. This mission provides food to local families in need during the holiday season. Each class will be collecting a specific food item to help our church fill 100 baskets. We thank you in advance for your support and for helping us teach our children the importance of generosity and caring for others.

With much gratitude,
Mrs. McAdams & Mrs. Leghorn

Out and About...

This month has been filled with fun field trips to the pumpkin patch in town and Fern Hollow. Pre-K also walked to the fire station while the fire truck stopped at the school to visit our FriendShip II class. With the beautiful fall weather in October, all of our classes enjoyed time outside on our new playground equipment.

In the Classrooms...

This month our CC friends have been busy learning colors and shapes, sorting objects, and painting paper bag pumpkins! FS I has been learning about forest friends and silly spiders. FSII learned the letters L, H, & F, worked on tracing & cutting, and brought their stuffed friends to school! Pre-K met the letter friends P, W, H, M & A. They also created beautiful Van Gogh Sunflowers and Starry Nights!
