

## School Newsletter September

# Welcome Back To School!

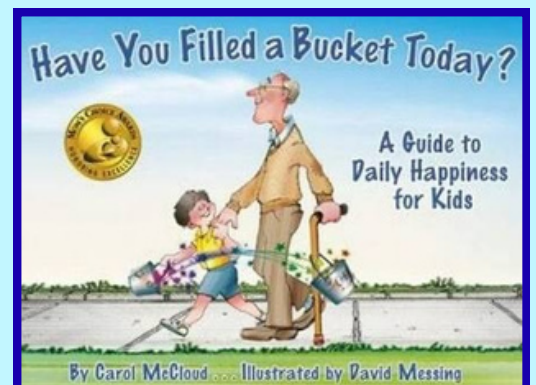

The school year is off to a joyful start at FriendShip and it has been such a delight watching our preschoolers settle into their classrooms. The children are learning new routines, building friendships, and filling our rooms and playground with laughter and energy. It's clear this year will be filled with growth, creativity, and many special memories. We are so grateful to partner with you this year!

Mrs. Leghorn & Mrs. McAdams

## In the Classrooms...

Classes are in full swing! Our Children's Corner and Friendship I friends have been learning their classroom routines and getting to know each other! Our Friendship II and Pre-K friends are learning about apples and how to be bucket fillers! Pre-K has 26 new guests in the room with the exciting arrival of The Letter People!

## Playground News...

At the end of last school year, we were blessed to have a Friendship family make a donation to our school! This has enabled us to purchase a new playhouse, outdoor chalkboards, and a tic-tac-toe game for our playground! Keep an eye out this month for these new additions for our children to enjoy while they are outside!
