

## December School Newsletter

# Joyful Hearts

As you can imagine, December is the most joyful month of the school year! The magic that little children believe in is delightful and you can feel the excitement in the air. Our classes have been celebrating the holidays with activities, projects, gatherings, and performances! In the midst of all of this, we have talked a lot about both why we celebrate

Christmas and the joy of the birth of Jesus Christ.

With this year coming to a close, we again want to thank you for supporting our staff and our school. We are so very grateful for you, and are wishing you and your families a very happy and peaceful holiday season.

Merry Christmas, and we will see you all in 2026!

With much gratitude,  
Mrs. McAdams & Mrs. Leghorn

## In the Classrooms...

There have been many festive projects popping up in our classrooms this month. Once again, it is so fun to see the progression throughout the classes of what each of our age groups are able to create! There are lots of photos to enjoy on the next page!

## FriendShip fun in December...
