Annual Report

Woven Together in Christ's Love

“that their hearts may be encouraged, being knit together in love, to reach all the riches of full assurance of understanding and the knowledge of God's mystery, which is Christ.”

~ Colossians 2:2

From our Pastor

Rev. Dr. Derek R. Davenport

God's Faithfulness

Looking back, it is hard to believe how much has happened this year. We spent the summer worshipping in a new location as the dining room became our temporary worship space. We said goodbye to several long-time, beloved staff members and welcomed new faces into our ministry. Along the way, we maintained valued partnerships, introduced new choir programs, renewed our mission focus at Day on the Lawn, and completed a full renovation of our sanctuary.

The sanctuary work has been a tremendous success. The chancel is more accessible, the choir loft more comfortable, the stairs safer, and the lighting more effective. It is a joy to see people experience the renovated space for the first time. Through all these changes, our worship space looks more like itself than ever before. Work on phase two is already underway as the Robinson Room is transformed into a safer, more comfortable, and more welcoming gathering space. I am excited to see how Sewickley Presbyterian Church continues to live, grow, and serve Christ in this new chapter of our lives together. Of course, buildings are just buildings. The true excitement comes from the ways SPC continues to impact and bless lives. From children and youth programs to Bible studies, worship, and mission partnerships, this congregation is an active and faithful presence in our shared life and wider community. That life-changing ministry is reflected in this annual report—a snapshot of Christ's work in and through this congregation over the past year. As you read, look for your own fingerprints and the places where God may be calling you to use your gifts in new or ongoing ways. Thank you for making this ministry possible.

In Christ,

Derek Davenport

Our Enhanced Sanctuary

From May through October, SPC's sanctuary underwent a comprehensive renovation that reimagined the space for worship and accessibility. The project included new lighting, safer stairs, updated flooring, a redesigned tech booth, and renewed chancel and choir loft areas. While worship temporarily moved elsewhere, each improvement was made with care for both function and hospitality. The completed sanctuary is brighter, more accessible, and better equipped for worship, while still feeling deeply familiar to the SPC community.

Day on the Lawn

Day on the Lawn was a joyful and successful church-wide event in 2025. Spanning the entire SPC property, the event welcomed families from the Sewickley area and beyond. Thanks to the dedication of volunteers and donors, the event raised \$84,908. All proceeds directly supported SPC's mission partners, extending the impact of this day far beyond our campus.

Praise the Lord

Music played a vibrant role in SPC's worship life throughout 2025. The choral program expanded with four additional soloists and the formation of Congregational and Chamber choirs. In May, 62 musicians from across SPC's ensembles collaborated in a Word Sung service premiering a newly-composed work.

Mission Spotlight: Dominican Republic

In 2025, Sewickley Presbyterian Church partnered in mission through a life-giving trip to the Dominican Republic, where four SPC members, including Rev. Derek Davenport, served alongside Del Ray Médico (Ministerio Del Ray). This ministry focuses on building sustainable healthcare by training and supporting local doctors and medical professionals. The team participated in health fairs, health education efforts, and helped connect local physicians with broader medical resources.

In addition to medical outreach, the group supported ministry staff by helping build housing and traveling into remote mountain communities. They worshiped with local churches and served the less fortunate through hands-on work, prayer, and presence. These shared experiences formed meaningful relationships rooted in faith and mutual respect.

This mission was more than a trip—it was a powerful expression of Christ's love in action. The Dominican Republic partnership continues to inspire SPC to serve with compassion, humility, and hope.

Sewickley Presbyterian Church

God owns everything! Every good and perfect gift comes from Him. He is pleased when we return a portion of the gifts that He has provided.

Giving our gifts to God through Sewickley Presbyterian Church is a spiritual matter. Each of us participates in the mission and vision of our church by our ministry of giving. We are all called to be good stewards, not only of our treasure, but also of our time and talents.

"Seek first His kingdom and His righteousness, and all these things shall be yours as well." **Matthew 6:33**
